

APPLICATION FOR A DOCTORAL CONTRACT – ANNEE 2022

To be filled out on a computer if possible

CANDIDATE

Mr or Ms (check)

FAMILY NAME (in capital letters) :

FIRST NAME (in capital letters) :

E-mail address (required) :@.....

Telephone :

Address :

Zip code : City : Country :

Birth date (day/month/year) : |__| |__| |__|__|__|

Place of Birth : Department or Country :

EDUCATION

Starting with undergraduate degree or its equivalent

Year	University or School where degree was/is being prepared	Grades & Ranking
20....-.....		
20....-.....		
20....-..... Master - S1		
20....-..... Master - S 2		
20....-..... Master - S 3		
20....-..... Master - S 4		
20....-..... (eventually)		
Date at which your grades will be available for the fourth semester of your Master's program:		

Candidate's family name and first name :

I am interested in the following Ph.D. subject :

.....

I state that I am a candidate for a Ph.D. contract at the Doctoral School of Physics and Physical Chemistry (ED PCP). I am aware of the calendar of the application process displayed on the website of the ED PCP concerning the awarding of these Ph.D contracts.

The transcript for the fourth semester of my Master's must be sent as soon as it is available to finalize the awarding of my doctoral contract.

I have noted that **the Doctoral School will communicate with me by e-mail** (at the address indicated on page 1) and that I should be reachable by this means until the end of the contract award operations. Finally, if my application passes the first selection stage, I must be auditioned. The auditions will take place from **08 to 10 june, 2022 in Strasbourg face-to-face or by videoconference depending on the health situation**. A short description of my Master's research will be requested by the Doctoral School of Physics and Physical Chemistry before the audition.

Place, date Candidate's signature :

The following documents must be provided:

The candidates document:

- a curriculum vitae
- a copy of your undergraduate diploma or a certificate stating that you successfully obtained your undergraduate diploma
- a transcript of your grades (from the first session) of the first, second and third semesters of your Master's program. If you are not in a Master's program, you should provide transcripts of your grades from your fourth year and the first semester of your fifth year of undergraduate studies. These transcripts must have the university's stamp. These transcripts should state which courses you followed, your grades for each semester, your ranking and the number of candidates who passed the exam.
- a recommendation letter of your supervisor during your M2 training.
- a cover letter of the candidate addressed to the director of the Doctoral school

The teams document (for each director and co-supervisor of the thesis):

- Obtained date of the HDR (Habilitation thesis to supervise research),
- Unit name and unit address (only for non-Strasbourg supervisors),
- Names of PhD under supervision (during the current academic year),
- planned date of thesis defence for each PhD student (please notify the **exactly day**).

After validation by the thesis director, the latter will submit the complete file as a single pdf document attached to an email to the Doctoral School of Physique and Physical Chemistry including the 2 parts mentioned above not later than : Friday, May 13, 2022 at 12:00 to :

Mr Miguel Monlouis (dir-ed182-secretariat@unistra.fr)

The thesis director will ensure that the file is complete. The file will be named as follows: "**Name_nr.pdf**" where **Name** is the name of the thesis director and **nr** is the number of the priority subject assigned to you (see list of subjects from the ED website). The electronic format should also be sent to the ED182 Director, Prof. Aziz Dinia (aziz.dinia@ipcms.unistra.fr)
